MEMORANDUM

TO: FACULTY
College of Veterinary Medicine

FROM: Patrick L. Green, PhD
Associate Dean for Research & Graduate Studies

SUBJECT: CALL FOR PALADIN PROPOSALS – DEADLINE: July 11, 2016

PURPOSE: The estate of Marjorie C. Martin in cooperation with the American Maltese Association has endowed the Paladin Veterinary Research Fund within the OSU College of Veterinary Medicine. According to the endowment designation, the income is to be used for research in diseases, defects, injuries and treatment of Maltese dogs and other toy breeds, with particular emphasis on problems with reproduction, hypoglycemia, risks of surgery, and use of anesthetics. However, as research and veterinary science advance, the need for research in the various topics may change.

APPLICATION PROCEDURES: The proposal must use the provided College application format (REVISED 12/15/15). Guidelines and template can be found at the following link on the Office of Research website http://www.vet.ohio-state.edu/311.htm. Original plus 3 copies of the proposal must be submitted on or prior to the above quoted deadline. An electronic version should also be sent to Morscher.1@osu.edu. There is a limit of one proposal submission per principal investigator for this competition. NOTE: Grants that do not follow the required college grant application format will not be reviewed by the Council for Research.

BUDGET: A maximum total funding target of $25,000 (includes both direct and 10% indirect costs) per proposal. Do not budget for publication costs.

PROJECT TERMINATION: All proposals will be awarded for a maximum of two years. At the end of the award period, any residual funds will be remitted back to the main canine fund. Any extensions must be requested in writing to the CVM Office of Research and Graduate Studies.

REPORT REQUIREMENTS: An Interim/Final report is due annually, to be included in the annual report to the Ohio General Assembly.

IACUC/CRAC APPROVAL: IACUC AND/OR CRAC APPROVAL MUST BE IN PLACE PRIOR TO AN ACCOUNT BEING ESTABLISHED ON AWARDED PROJECTS.

REMINDER: Each faculty member may be principal investigator of a maximum of two active intramurally-funded grants at any one time.
