

Supplemental Application

Once your **VMCAS application is verified** through WebAdMIT within 5-7 days, you will receive a supplemental application email link. After you receive the supplemental application email, you will have a 10 days to submit the supplemental application to our office.

There are no essay questions on the supplemental application.

On the supplemental application, please indicate which 3 (three) recommendations you would like us to review.

Supplemental Application Fees

The Application fee is paid only by those applicants who complete the Supplemental Application. This fee is in addition to the VMCAS application fee.

- Domestic Applicants: \$60
- International Applicants: \$70

The Ohio State University College of Veterinary Medicine no longer accepts checks or money orders for payment of the application fee. All applicants that complete the Supplemental Application will be required to pay online at the time you submit.

Any checks or money orders mailed to the Office of Professional Admissions or The Office of Student Affairs will be returned to you.
